

## Get the Equipment You Need While Preserving Your Cash Flow

ASG offers flexible financing for X-PAQ™ systems and products, including X-GUARD™ extended protection and maintenance plans covering X-PAQ™ systems.

### Opt for a monthly lease investment and you can:

- Acquire equipment without a large cash outlay
- Avoid affecting lines of credit
- Match payments to cash flow
- X-GUARD™ protection plans can be built into your financing plan

Example: (5) X-PAQ™ Systems (\$6,610 x 5) = \$33,050.

If you finance instead, pay as little as \$1,082 per month for 36 months, preserving your cash flow to keep your business running smoothly.

Example above illustrates a purchase order that consists of (5) systems including the X-PAQ™ controller with 35 lbf.in push/lever start combination screwdriver and cable.
